

BKPCWM / VP-PCI

WALL MOUNT ARM AND PENDANT CAP

KEY FEATURES

- Indoor/outdoor use
- 3/4" NPT threads
- Lightweight metal construction wall mount arm (BKPCWM)
- Lightweight polycarbonate pendant cap (VP-PCI)
- The cap VP-PCI can also be used in pendant drop mount installation with standard 3/4" NPT threaded conduit
- For use with the domes from the VDP20 Series

The wall mount arm BKPCWM used in conjunction with the pendant cap VP-PCI are mounting accessories for the VDP20 Series vandal resistant cameras.
